VEHICLE INSPECTION REPORT

00289756

It is unlawful for any person to allow or participate in the preparation, duplication, sale, distribution, or use of false, counterfeit, or stolen Vehicle Inspection Reports.

Vehicle Information		Vehicle Identification Number		Year	Make	Model	Mileage
License Plate		YV1AX8821D2228534		83	VOLV	DL	155000
GVWR	Fuel	Test Number	Inspection Type				
	Gas	5	IM93				

Your motor vehicle emissions test result is shown below under TEST RESULT.

IF THE TEST RESULT IS:

Pass or Waiver -

Present or mail the following when registering your vehicle:

- Detachable bottom portion of this original certificate
- Registration renewal form

Fail -

Prior to receiving an emissions reinspection (retest):

- Your vehicle must be repaired (repairs may be covered by the warranty provisions of Section 207 of the Clean Air Act).
- You must turn in at the inspection facility the completed original Repair Data Form found on the reverse side of this report.

Note: The inspection facility is not authorized to perform an emissions retest without a completed original Repair Data Form.
